

# Dual Band USB Wireless Adapter

## User Manual

### 1. Introduction

Thank you for purchasing the wireless 802.11b/g/n/a/ac USB adapter! This adapter is mini size design and you are able to plug it into the USB port. Excepting common wireless standards 802.11b/g/n, this wireless adapter is also 802.11ac compatible - data transfer rate is 300/867Mbps, and that's three times faster than 802.11g wireless network!

The following contents should be found in your box:

- ◆ One Wireless USB adapter with antenna
- ◆ One CD driver
- ◆ One User manual

Easy Setup

**STEP 1**

Install the software with the included CD

**STEP 2**

Plug the USB wireless adapter into pc/ laptop port

**STEP 3**
